GROW OUR GARDENS!

JOIN THE COMMUNITY GARDEN COUNCIL OF WATERLOO REGION

We're a band of action-oriented volunteers working to build healthier communities by raising supporters and resources for the growing community garden movement in Waterloo Region.

We've watched how community gardens can

- ⊗ add fresh, affordable food to family meals
- ⊗ build relationships and strong community spirit
- ⊗ open up a new world for people who are isolated, challenged or elderly
- ⊗ green our cities

We're 40 gardens strong and growing.

Help us spread the news and champion the cause!

As our ideal **fund raiser**, you are

- ⊗ resourceful and inventive at identifying potential supporters and win-win partnerships
- ⊗ an enthusiastic ambassador and presenter
- ⊗ experienced in raising friends and funds for a community organization

As our ideal **communications and marketing expert**, you are

- ⊗ passionate about connecting people to information and to each other
- ⊗ innovative at spreading our message
- ⊗ creative, with a flair for catching and keeping attention

We're starting a new year for community gardens on August 10, 2010. If you'd like to be part of it,

- ⊗ Join us at a Community Garden Council meeting, the second Tuesday of every month, 7:00 – 9:00 pm in room 308 at the Region of Waterloo Public Health, 99 Regina St. S., Waterloo
